

Work with an award-winning Master Navajo Weaver

Navajo Weaving Warping Class

February 13th, 2010
9:00AM - 4:00PM

University of Colorado Museum of Natural History

Warping Fees are \$200.00 to warp a 16.5 high by 12.5 wide rug using your loom that you purchased in class. If you want to keep the warping kit, it will be \$15.00.

****If you are bringing your own loom, you may have to drill holes in the sides for the warping dowels.**

The fee includes warping instructions, preparation of warp, selvage cords and the use of the following materials:

String, scotch tape, graph paper, pencils, scissors, rulers
2 - 1" wood dowels for warping, sharpie pen
2 - ½" wood dowels and 2 - ¼" wood dowels for the heddle and shed pulleys, sandpaper to smooth wood dowels
4 bolts, 4 butterfly wingnuts, 4 conduits
1 metal tension rod, 2 or 3 metal turnbuckles
Wire - 18 gauge, wire cutters, and pliers
Nylon thread for the heddle dowel
1 warp ball to warp 16.5" X 12.5" rug
Selvage cord

Please bring your Weaving loom, tabletop attachment, clamps and sacking needle. *Also call me if you plan to do a larger project than the size above so I can prepare the warp for your project.
